# Welcome to DGfB 2026

Join us at the **DGfB 2026 Conference**, the leading event for biomechanics in Germany, taking place **18-20 March 2026 at Hamburg University of Technology (TUHH)**.

With around 300 attendees, including leading researchers, industry professionals, and decision-makers, DGfB 2026 offers a unique opportunity to present your products, strengthen your brand, and engage directly with experts within the field of biomechanics.

## Venue: TUHH

The Hamburg University of Technology (TUHH) provides the perfect setting for DGfB 2026. As one of Germany's leading technical universities, TUHH is known for its cutting-edge research and innovation in engineering and biomechanics. TUHH offers modern conference facilities that foster collaboration and knowledge exchange.

## Organised by

**Gerd Huber**, DGfB President

**Sara Checa**, Director Institute of Biomechanics, TUHH

# Sponsorship & Exhibition

## Gold sponsor

**€3,500**

- 6 sqm space
- 2 delegate badges
- Slide in between sessions
- Logo on material

## Silver sponsor

**€2,500**

- 4 sqm space
- 1 delegate badges
- Slide in between sessions
- Logo on material

# Branding options

## Branding package

**€2,000**

- Full-page advert in programme
- Email blast to all attendees
- Social media promotion

## Registration area branding

**€2,000**

## Half-page advert in programme

**€500**

## Welcome reception sponsor

**€2,000**

## Full-page advert in programme

**€1,000**

## Congress dinner sponsor

**€3,000**

## Lanyards

**€1,500**

## Student evening sponsor

**€2,000**

## Notepads & pens

**€1,500**

# Why exhibit at DGfB 2026?

## **Targeted audience**

Reach key stakeholders from academia, industry, and clinical practice.

## **High-quality networking**

Build meaningful connections with experts and potential clients.

## **Brand visibility**

Gain exposure through exhibition spaces, sponsorship packages, and promotional opportunities.

## **Thought leadership**

Position your company at the forefront of biomechanics by participating in workshops and discussions.
